PROGRAMS

Work Program: The work program allows players or family members of players to support club activities through working in various areas of the club. Wages are then applied to registration and coaching fees. This program is used in the areas of concession stand support and field work. In this program offering, everyone wins as the club benefits from the additional support by the player or player's family members and the player wins by receiving support for fees. Scheduled work is determined by the executive committee.

Scholarships: Through the scholarship program, awards are determined by the executive committee. The amount of the award depends on need, based on family income, number of family members and potential number of players per team requesting financial aide. Scholarships are currently funded through donations from community members, business and other organizations. As the club has limited financial resources, players will be asked to augment any awards that do not meet their full need with another program.

Newton Area Soccer Association is a non-profit organization and relies heavily on volunteers to support the youth who participate in its programs. Financial assistance is not guaranteed. Applicants will be notified prior to the start of the season if financial assistance cannot be obtained on their behalf.
