Kristi Meyer  
James Jensen  
Brittany Wolfe  
Lindsey Peck  
Jennifer Parsons  
Jonathan Smith

## Open Forum-

No parents present.

4<sup>th</sup> of July parade- James is working on decorations for the trailer. We will be handing out candy and flyers. James will be putting the flyer together and Jonathan will be printing. A google doc was sent out for NASA players to sign up to walk/ride in the parade.

## New Business-

### Open Board positions

Director of Coaches- James volunteered. Approved.

Director of Fields & Equipment- Lindsey Peck nominated by Jennifer Parsons. Accepted & approved

Jason is going to reach out to Pleasant Hill about possibly using their robotic painter for the first painting of the season. We are also going to collect quotes on a professional painting service to get the lines back on the fields.

Director of Referees- Cortney Henry expressed interest in staying on as Director of Referees. Jason nominated & Jonathan 2<sup>nd</sup>. Approved.

### YMCA Meeting

Jonathan, Lindsey, & Brittany met with the YMCA to discuss working together to help grow the NASA program, help fill gaps for middle school players, and provide a better platform for helping train YMCA coaches. We need to create an informational flyer that can be handed out to middle school players that age out of YMCA or to those families that are identified as being a better fit for NASA than for the YMCA. In turn for the YMCA promoting NASA, we will offer a coaching clinic in the spring to help better prepare their coaches. We will also provide practice plans for different age groups.

### Summer Clinic & In Person Registration

We are going to host an in person registration and pair it with a night of open soccer scrimmages. We will ask boys & girls high school soccer players to come out and engage with kids. The groups will be broken down by ages.

July 16<sup>th</sup>. 5:30 – 7:30 PM Sea Turtle Ice Cream will be there. Ice cream will be provided to any registered player and will be available for families to purchase for others.  
James will contact the boys soccer coaches. Kristi has reached out to the girls team.

### **Review of Bylaws**

Lindsey will send Jason notes for review and approval at the next meeting.

### **Other New Business**

Director of Fields needs to get pricing for all goals. We also need pricing for new goals on the U9/U10 field. When we have replaced all of ours, we would like to donate any usable equipment to one of the elementary schools.

Signs- We need to get signs ordered. We need one with all our sponsors listed on it as well as one for each of the business that donated at that level. Brittany will work with Riggs Printing to get these ordered.

### **Motion to Adjourn- 9 PM**
